

Impossibly Easy Pizza Bake

Ingredients:

- 3 1/3 c. Original Bisquick™ mix (from a 2 lb 8 oz box)
- 1 c. milk
- 1 jar (14 oz) pizza sauce
- 1 package (7 oz) sliced pepperoni
- 2 c. shredded mozzarella cheese, or the pizza blend

Directions:

Preheat oven to 375°F.

Spray 13x9-inch glass baking dish with cooking spray.

In a medium bowl, mix the Bisquick and milk until soft dough forms.

Drop half of the dough by spoonfuls evenly in the bottom of the baking dish (dough will not completely cover the bottom of the dish).

Drizzle about 1 cup pizza sauce over dough.

Arrange half of the pepperoni slices evenly over sauce.

Top with 1 cup of cheese.

Repeat layers with remaining dough, pizza sauce, pepperoni, and cheese.

Bake 25 to 30 minutes or until golden brown, biscuits in the center are cooked, and cheese in center is bubbly.
