Peanut Butter Cake Mix Cookies

Makes 2 dozen cookies.

Ingredients

- 1 package yellow cake mix
- 1 c. creamy peanut butter *(can also use crunchy if you like)*
- ½ c. oil
- 2 large eggs
- 1/4 c. sugar, *optional*

Instructions

Preheat oven to 350 degrees.

In a large bowl, combine all of the ingredients except for the sugar.

Mix together until well combined.

Shape the dough into small round balls and place them on a cookie sheet.

Use a fork dipped in the sugar to lightly flatten the balls and make a criss-cross pattern on the top.

Bake all cookies at 350 degrees for 10-12 minutes *(check at 9 or 10 minutes to prevent over-browning)*.
