

Hot Cocoa (*Cheaper version*)

Ingredients:

- 2 c. powdered milk
- 3/4 - 1 c. sugar
- 1/2 c. powdered creamer
- 1/3 c. unsweetened Cocoa
- marshmallows (optional)

Directions:

Mix everything together and place in a sealed container.

Spoon about 1/3 cup of mix into a mug. Add boiling water and stir.

Top with marshmallows and serve... this will be HOT!

This next recipe is just as easy to make but it can be a little more expensive depending on the price of the chocolate mix you use.
