

JESSE TREE STUDY OUTLINE &
MAKE YOUR OWN ORNAMENT TEMPLATES

Welcome to Your Jesse Tree Advent Journey!

Welcome, families! The Christmas season is often filled with bright lights, busy schedules, and long to-do lists. It is easy for the true wonder of the season to get lost in the hustle. This companion guide is designed to help your family slow down, gather together, and trace the beautiful, grand story of God's faithfulness from the very beginning of time down to the manger in Bethlehem.

The Jesse Tree is a beautiful, visual tradition based on the prophecy in Isaiah 11:1:

"And there shall come forth a rod out of the stem of Jesse,
and a Branch shall grow out of his roots."

Think of it as a journey through Jesus's family tree. Day by day, you will discover how every major story in the Old Testament points directly to the birth of the Savior.

Whether you are gathered around a bustling homeschool table, cozying up before bedtime, or sharing a meal, these moments will help you build a shared lifestyle of faith, gratitude, and wonder.

Thank you so much for downloading The Jesse Tree Advent Family Devotional!

It is an honor to partner with your family as you trace the beautiful, grand story of God's faithfulness this Christmas season. My prayer is that this guide brings your household closer together, sparks meaningful conversations around your table, and fills your home with the true wonder of the Savior's arrival.

May your Advent season be blessed with peace, joy, and deep faith!
